CORPORATE SPONSORSHIP PROPOSAL

“WALK YOUR WAY” Wherever & However You Want

In 2019, 2,400+ people participated and raised \$191,000.

WHAT IS DOWN SYNDROME?

Down syndrome is a genetic condition that occurs in one out of every 792 live births. It affects people of all ages, races and economic levels and is the most frequently occurring chromosomal disorder. Down syndrome affects more than 400,000 people in the United States alone. Recent advances in our understanding of Down syndrome have resulted in dramatic improvements in the life span and potential of those who are affected.

OUR MISSION

The Down Syndrome Association (DSA) of Greater Charlotte is a non-profit, family support organization. The goal of the DSA of Greater Charlotte and its families is to enable individuals with Down syndrome (Ds) to reach their full potential and become respected members of their community.

Our mission is to enhance the quality of life for all people with Down syndrome by empowering individuals, families, and professionals with information and support through education, social programs, and community partnerships.

BUDDY WALK® HISTORY

The Buddy Walk was developed by the National Down Syndrome Society in 1995 to celebrate October, National Down Syndrome Awareness Month, and provide an annual public platform for advocacy. It brings together people with Down syndrome and their invited “buddies” — everyone from friends and family to teachers, politicians and co-workers — to promote acceptance and inclusion for people with Down syndrome and to raise funds for education, research and advocacy programs.

The Buddy Walk is a one-mile walk in which anyone can participate without special training. Hundreds of thousands of people walk from coast to coast and around the world each year. The goal of the Buddy Walk is three-fold: to promote acceptance and inclusion of people with Down syndrome; to raise the funds necessary to develop innovative and effective programs; and to enhance the position of the Down syndrome community, enabling us to positively influence local and national policy and practice.

Your Support Builds Community

The opportunities your donations create are amazing, and the programs supported are a blessing to our children and families. With every event, with every program our families attend, bonds of community and friendship are built. This connection creates a beautifully woven safety net our families need. Your support helps our families stay strong and stay connected to one another and to the services that enhance the lives of our children, youth and adults with Down syndrome.

Again, thank you for your gracious support!
